

CONSTRUCTION SITE TURNSTILES

CONSTRUCTION SITE TURNSTILES

Biometric access-controlled turnstiles restrict entry to authorised contractors only, ensure compliance with site H&S legislation, reduce theft, simplify payroll and assist emergency evacuation.

Why use Secure Site UK?

- 5 turnstile options, including UK's most compact 'pod'
- Next-day delivery, installation, commissioning and training
- 1-second biometric matching from user database, across multiple sites
- Reliable time & attendance with automated reports in emergencies
- Licence-free software offers pre-enrolment and induction time savings
- Weekly hire or outright purchase flexibility

We can also help with:

- Remote monitored CCTV
- Integrated fire alarm systems
- Perimeter hoarding and fencing
- Gate attendants and 'banksmen'
- Security guards and dog handlers
- Key-holding and alarm response
