

PERIMETER FENCING

PERIMETER FENCING

Whether you need an immediate physical barrier or permanent perimeter protection, we offer a wide range of fencing options to safeguard sites and the general public.

Why use **Secure Site UK**?

- Temporary or permanent fencing
- In or on-ground wooden site hoarding, to standard or wind-load specifications
- Heras and 'Readyhoard' systems available at short notice from our depots
- Palisade metal fencing, to various heights, galvanised or powder-coat finished in any colour
- Vehicle and pedestrian gates or access control systems easily incorporated
- Nationwide installation

We can also help with:

- Waste clearance and disposal
- Remote monitored CCTV cameras
- Temporary concrete barriers
- Steel security for vacant buildings
- Trespasser removal
- Mobile patrols and security guarding
